Frontend: React.js, Next.js, Redux, Tailwind CSS, Material UI, shadcn/ui, React Native

Backend / Data: Node.js, Express.js, Laravel, REST APIs, Web Scraping, MySQL, PostgreSQL, Supabase, Prisma

Cloud / Methods: Git, GitHub Actions, Vercel, Google Cloud, Cloudflare, Agile, Scrum

EXPERIENCE

Full Stack Developer | SBS Data Factory · Casablanca, Morocco · Oct 2025 – Present

- Building oDoc.ma, a medical practice platform for appointment scheduling, patient profiles, prescriptions, and accounting, using React, TypeScript, Tailwind CSS, shadcn/ui, and Supabase.
- Delivered reusable booking and profile components and integrated WhatsApp chatbot support for patient communication.

Full Stack Developer | SMIAfrica · Casablanca, Morocco · Jun 2025 – Sep 2025

- Shipped full-stack web features with Next.js, Node.js, and Laravel, including REST APIs and data workflows for client products.

Full Stack Developer | CyberScale · France · Jun 2024 – Jun 2025

- Built and maintained public web apps including Wifina, IBC, and Allo Reflexo, serving 2,000+ average daily active users.
- Improved application performance by 25% with front-end, back-end, and QA collaboration. Delivered Wifina (Next.js, TypeScript, Laravel) and IBC, a skills-anticipation tool for Centre-Val de Loire, France.

Junior Cloud Consultant Intern | CBI · Casablanca, Morocco · Sep 2023 – Jan 2024

- Supported pre-sales and Microsoft CSP subscription management (MWP) for 100+ clients, mapping business needs to cloud offers.

Junior Full Stack Developer | IS-TECH · Casablanca, Morocco · Apr 2023 – Aug 2023

- Developed interactive React.js and Laravel applications, managed complex state with Redux, and integrated REST APIs into reusable UI modules.

Full Stack Developer Intern | Palmeraie Country Club · Casablanca, Morocco · Jul 2022 – Sep 2022

- Implemented a membership and subscription management app with HTML, CSS, JavaScript, PHP, and MySQL.

PROJECTS

Appart Ali | Next.js, Prisma | appartali.com — listings, Guesty API, AI assistant

Invoicr | Next.js, Supabase | invoicrapp.com — invoice generation and management SaaS
